## SURVIVAL ANALYSIS (PAPERBACK)

Oxford University Press Inc, United States, 2010. Paperback. Condition: New. Language: English. Brand new Book. Survival analysis is a class of statistical methods for studying the occurrence and timing of events. Statistical analysis of longitudinal data, particularly censored data, lies at the heart of social work research, and many of social work research's empirical problems, such as child welfare, welfare policy, evaluation of welfare-to-work programs, and mental health, can be formulated as investigations of timing of event occurrence. Social work...
